*Piano Accompaniment for Choir*

Hymn 204

**By Faith  
We Have Hope**

2

arr. Andrew Hsu

Hosanna Praise aims to rekindle the love and interest in practising and performing our church hymns through a variety of straightforward arrangements suited to the needs of the church and her members.

Following the Music Kit series produced a few years ago, the idea of a versatile piano accompaniment for choir came to mind. These piano accompaniments provide a ready-made solution for church choirs, whether singing in unison or in full four-part harmony. All you need to do is go through the piano part and fit the vocal parts on top of the accompaniment. Easy!

NOTE

verse 2 > slightly faster tempo and triple meter, introducing a more graceful and lyrical melody.

verse 3 > tempo, meter and key change. After the resounding chords, the first phrase begins in B major. Using the final note of the phrase as a leading note, the remaining phrases move to E major. At bar 66, you may optionally replace the cadence to an interrupted cadence using chord VI for greater dramatic effect.
